### LEAVES TOWN TO AVOID GOING TO ASYLUM

Paul Mitovich, Montenegro miner, recently rearrested in Tonopah, after being paroled from the state mental asylum at Reno, and given the choice of returning there or going to his relatives in California, bid Tonopah anything but a fond adieu this morning, after being escorted

to the T. & G. train by Sheriff Ed Malley in the latter's automobile.

Mitovich labors under the hallucination he is a victim of persecution. His conduct about the postoffice last spring resulted in his commitment to the asylum. He was released from the institution last July, in charge of friends with the understanding that he be taken to relatives in California. He reappeared in Tonopah about a month ago and subsequently his conduct again ex-

cited anxiety. He was given a hearing before Judge Peter J. Somers, of the Esmeralda district court who presided in the local district court in the stead of Judge Averill, disqualified by reason of the fact that he was a witness against Mitovich. The hearing resulted in Mitovich's being given the choice of returning to the asylum or going back to his kinsmen in California. He elected the latter and departed this morning.
